Wedding Photography

Words & images: Michael South

Looking for a wedding photographer who keeps things real and captures the true essence of your special day? Well, look no further, because I'm here to help!

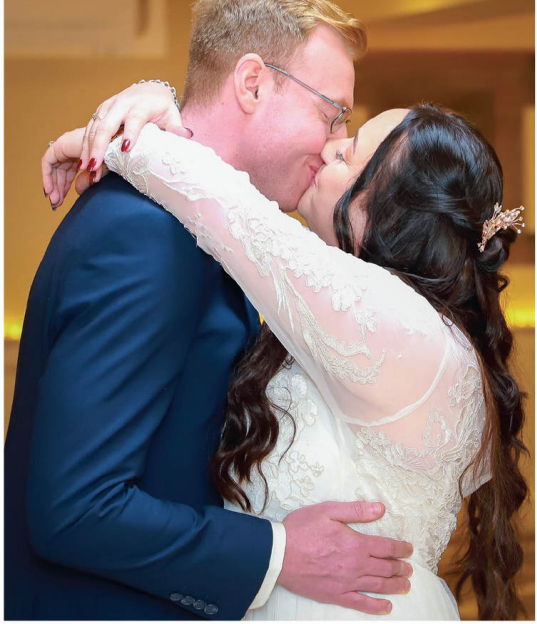

Let me start by being up-front and honest with you, just as I believe in being with everyone I work with, especially potential customers like you. I'm not your typical high-priced, glitz and glam, strike-a-pose-for-10-minutes type of wedding photographer, that's not my style, nor what I enjoy, to be honest!

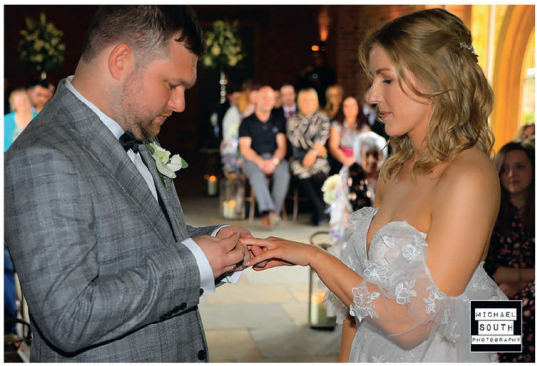

Instead, I'm a one-man show armed with my trusty camera, ready to capture the best moments of your life. I believe in keeping things natural and genuine. I'm not interested in dragging out the process in pursuit of some overly staged and unrealistic "celebrity" photo shoot wedding. After all, stress equals unhappy people, and unhappy people aren't exactly the most photogenic, right?

So, here's my simple selling pitch: I aim to capture your wedding day exactly as it unfolds - no pretence, just pure authenticity. My favourite part of wedding photography is preserving those precious moments when people are caught off guard, whether it's the heartfelt greetings, warm hugs, tender kisses, or the joyous laughter of children. These unplanned, spontaneous moments create genuine happiness in the air. Of course, I also understand the importance of capturing those traditional group shots towards the end. They have their own charm, and I love a photo with people's personalities on full display.

If you resonate with my approach and vision, then I'd love to hear from you! Please don't hesitate to drop me a line, and let's discuss how I can help make your wedding day memories last a lifetime.

WHAT IS ANDYSMANCLUB?

ANDYSMANCLUB is a free peer-to-peer group that provides a place for men to come together in a safe and open environment to talk about the issues or problems that they have faced or are currently facing.

HOW DOES IT WORK?

The process is about bringing men together who have been in similar situations, to help each other on a peer to peer basis, sharing how they have dealt with various situations through lived experiences. No matter how big or small your problem feels, we are here to support each other. The 5 questions that are asked each week are designed not only to encourage men to talk, but to start to focus on the positives and on strategies to keep moving forward. There is no pressure to answer any of the questions and it is not uncommon for men to just listen for the first few sessions.

The clubs all run on the same format and adhere to the same guidelines. A key principle of ANDYSMANCLUB is anything that is said in the club, stays within the club.

WHO IS IT FOR?

The club is open to any man 18 or over, who is going through a storm, been through a storm or just wants to meet a good group of people with the aim of improving one another.

WHEN IS IT?

ANDYSMANCLUBs meet every Monday at 7pm (excluding Bank Holiday Mondays).

WHERE IS IT?

ANDYSMANCLUB has over 100 locations across the UK. Check our website below for a full list.

HOW DO I JOIN?

Just turn up on the night. No registration or referral is required, all we ask is that you arrive before 7pm. The full list of our locations available on our website.
